Dark Magi

by Joanna White

Genre: Fantasy

King Vaxon is sadistic and cruel. After taking the crown of Castre for himself, he finally squelched the rebellion of Magi who fought against him. The remaining ones will be thrown in an arena to fight to the death.

Vaxon knows it's unlikely they will fight each other at first. For this reason, he's sending his own son, Kyren, into the arena with them. As a powerful Dark Mage, Kyren's job is to kill the Magi. If he doesn't, then his own father will kill his wife and children.

Kyren will do whatever it takes to keep his family alive. Even if that means he must die after slaughtering his own comrades.

Is it possible to rebel in a fight you've already lost and still keep your families alive?
