Yet it's still not enough.

Together, Alyra and Makai gather a ragtag team of thieves to pull off the greatest heist Kryston has ever seen. If they pull it off and steal the Sky Orb, the social classes will be destroyed and Kryston will be changed forever. But several members of their team have their own ideas of what to do with the Sky Orb...

Can they pull off the Crystal Heist to change Kryston forever or will their team's selfish goals stand in their way?

The Crystal Heist is a character-driven, fantasy adventure with characters that will stay with you long after the story is over.
